

Name _____ Tommy Explores NYC!
Comparing Worlds

Use the Venn diagram to list things that Tommy noticed/saw in his environment.

Tommy's journey started in the woodland forest and ended in the city. Along the way Tommy learned that moving to a different environment wasn't so scary. List three new environments that Tommy might like to explore next:

- 1.
- 2.
- 3.

Tommy's Next Adventure

Choose **one** of the new environments (from page 1) you thought Tommy might like to visit to complete the chart.

Next, Tommy is traveling to the _____.

In the _____, Tommy might see ...

The weather in the _____ is ...

Help Tommy pack his suitcase!

List items below that you think will make his trip to the _____ more comfortable.
