ABOUT THE AUTHORS & ILLUSTRATOR:

Blaze Kelly Coyle (Co-Author) is President and CEO of Silver Phoenix Entertainment. Born in Philadelphia and currently residing in Jersey City, Blaze is the quintessential Renaissance woman with an extensive résumé spanning television, film, theater, radio, voiceover, music, commercial, literary, reporting, teaching and modeling work. She is the co-writer of the educational video series *The Eco Files*, which is set to film in Summer 2012 and also co-wrote the Off-Broadway musical hit *O Night Divine*. Blaze produced and executive produced the feature film *Echelon 8*, which is currently in worldwide distribution. A former substitute teacher in the Vineland Public School District, Blaze hopes to inspire all kids to use their gifts and pursue what makes them happy!

Andrew Romano (Co-Author) was born and raised outside Philadelphia. When he was nine, unlike most children his age he asked Santa for a typewriter. Well, Santa came through--Andrew was a good boy that year--and thus began his love for writing and rhyming. Andrew now resides outside New York City, where he enjoys observing the hustle and bustle of people and places all around him, and bringing that to children in an entertaining and educational way. He hopes his writing inspires children and adults alike to explore the world around them and see the beauty in it everywhere.

Sanja Nenić (Illustrator) is a very talented twenty-year-old from Bosnia, Europe. She grew up in the small town of Bijeljina and is currently a law student at the University of Novi Sad. At a young age, Sanja grew an immense affection towards drawing and today it has become one of her life's passions.
